AMENDMENT/RESPONSE TO OFFICE ACTION

December 14, 2007

Commissioner For Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is a response to the Office Action that was mailed on November 28, 2007. Claims 1 and 4-9 have been rejected under 35 U.S.C. §102(b) as being anticipated by U.S. Patent No. 4,638,793 of Therikorn. Claims 10-20 have been allowed, and objection has been raised to claims 2 and 3 as being dependent on a rejected base claim. Applicant has now amended claim 1 (and by dependency therefrom, claims 2-9) to distinguish his invention from the cited reference.

In addition, Applicant offers the following remarks to address the rejections of his claims and respectfully request reconsideration of the application in view of such amendments and remarks.
